***PECHA KUCHA** is a presentation format which originated in Japan within architecture and design circles. It involves a strict format and rules for short, sharp entertaining 'ideas' presentations. PECHA KUCHA works as a form of community brainstorming and inspiration.

FORMAT

- Presentations 5-7 minutes (max)
- MC keeps very strict time
- One hour of presentations + 30 mins break + one hour of presentations

It will be both a fun and targeted event which is part of the consultation phase for the *Moreland Affordable Housing Strategy*.

The underlying aim is to canvas solutions to affordable housing issues in the municipality.
